**Are you a business looking to sponsor a
good cause?**

Why not sponsor an RDA pony?

Beauty

Flo

Geoffrey

Jack

We are your local Riding for the Disabled Group positioned in Newchapel, Lingfield and are struggling with our running costs with a short fall of £25 per lesson (we have 8 a week for 32 weeks a year).

We are offering companies the opportunity to support us by sponsoring one of our ponies for a year! This would ensure we were a step closer to continuing to run and we would thank our sponsors with a framed certificate and photograph of your chosen pony as well as allowing you to provide us with a small plaque for the stable door. In addition we are happy to advertise on our notice board (at Little Brook Equestrian- a busy private yard who have 60 private non RDA lessons a week as well) and advertising your company both on our Facebook page and website! All this could all be yours for £1000 a year.

There are different levels of sponsorship if the amount companies wish to sponsor is less than £1000!

Please contact Sarah Murrell 07821755735 for more information.
